

# DURATOP TABLE TOP

## COLOUR RANGE

The Werzalit Gentas Duratop table tops are a quality, seamless, hygienic and functional table top suitable for indoor or outdoor use. It is one of the most popular used table tops in Australia's hospitality catering environment. This table top is by far the best value for money and is backed with our 2 year warranty.

The Werzalit Gentas Duratop Table Tops are manufactured in Turkey by Gentas, using the renowned resin moulding process. Available in a select range of sizes and finishes, these tops are durable, weatherproof, inexpensive and attractive.

The foundation of each Werzalit Gentas Duratop Table Top is a mix of quality hardwoods and softwoods, kiln-dried and blended with synthetic resins as well as anti-rot and anti-moisture agents. This mixture is compressed at 140°C under high pressure before the hardwearing and decorative layers are applied and inseparably moulded together.
